At Kuilei Place, every element has been carefully considered.

Customizable interiors, environmentally friendly design, extensive amenities, and a premier location allow residents of the one-, two-, and three-bedroom homes to thrive. In each residence, natural light and floor-to-ceiling windows create a warm and welcoming space. With a commitment to sustainability, Kuilei Place includes Energy Star lighting and appliances, centralized solar hot water heating, EV car sharing and Level 3 EV fast charging stations. Onsite, homeowners will find an array of places to gather and play such as a private dining room and karaoke lounge with Diamond Head views (pictured above). Offsite, residents will have quick access to a host of historic neighborhoods, schools, and recreational destinations like Kapi'olani Park, Monsarrat Avenue, and Kaimukī.
